With the new PSO certificate (from left): Marco Kraegen (DZA), Erik Scharf (DZA), Peer-Philipp Keller (DZA), Kerstin Graupner (SID), Patrick Cunningham (SID), Alexander Bartel (SID)

Once again, the Druckerei zu Altenburg (DZA) printing company has passed the Process Standard Offset (PSO) verification in accordance with ISO 12647-2. A Rapida 106 and a Rapida 106 X were tested. Upon presenting the certificate, the SID employees expressed their gratitude for the many years of successful cooperation. In addition, an insight into some of the printing companies' current production work was provided.
